

Health & Safety Policy Statement

It is the company's intention to ensure, so far as is reasonably practicable, the health, safety and welfare of our employees whilst they are at work, and also the health and safety of any others who may be affected by our undertakings.

The company undertakes to comply with all statutory health and safety requirements.

The company will endeavour to ensure that resources are made available to provide:

- Plant, equipment and systems of work that are safe and without risk to health
- Safe arrangements for the use, handling, storage and transport of articles and substances
- A safe place of work with safe access to it and egress from it
- A healthy working environment
- Adequate welfare facilities and arrangements
- Sufficient information, instruction, training and supervision to ensure that all employees are aware of the hazards at their workplace together with the necessary measures to be taken to protect against these hazards; and
- A monitoring, inspection and auditing procedure to ensure the effective management of health and safety throughout the company
