

# Health and Safety Policy Statement

At Mobile Traffic Solutions Ltd we recognise our duties under the Health and Safety at Work Act 1974 and other associated regulations. It is the company's intention to ensure, so far as reasonably practicable the health, safety and welfare of our employees whilst they are at work and those that are likely to be affected by the operation of our business.

Mobile Traffic Solutions recognises its duty;

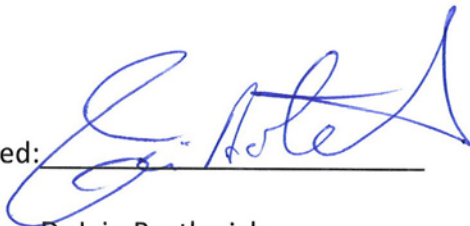

- To make regular assessments of the hazards and risks created in the course of our business
- To provide adequate control of the health and safety risks identified
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe plant and equipment
- To ensure safe handling and use of substances
- To ensure our employees are competent to do their work by means of instruction, information and training
- To prevent accidents and causes of work related ill health so far as reasonably practicable
- To maintain safe and healthy working conditions
- To monitor, inspect and audit the procedures to ensure the effective management of health and safety throughout the company

We also recognise;

- Our duty to co-operate and work with other employers whilst at work on their premises or sites under their control to ensure the continued health and safety of all those involved
- Our duty to co-operate and work with other employers and their workers whilst at work on our premises or sites, to ensure the health and safety of everyone at work

Mobile Traffic Solutions will inform their employees of their duty to take reasonable care and caution for themselves and others who may be affected by their activities.
