Dear Mr Flanagan,

**AUTHORISATION OF MOBILE TRAFFIC SOLUTIONS LTD ADVANTAGE SERIES
PORTABLE VARIABLE MESSAGE BOARD (mVMS)**

**DESIGN AUTHORITY'S SIGNED DECLARATION OF CONFORMITY -
LETTER OF ACCEPTANCE**

Thank you for providing your signed Declaration of Conformity dated 16th October 2007, referenced **ASC AP01/770** and affirming that the above Product meets each of the Secretary of State's requirements as set out in Technical Requirements Specification **TR 2516B** in accordance with the Highways Agency procedures defined in TRG 0600A.

Accordingly, this letter and the appended copy of the signed Declaration of Conformity together, formally confirms the Secretary of State's approval, in accordance with the Traffic Signs Regulations and General Directions (2002), for the purposes of allowing lawful use of the above referenced Product forthwith on the public highway. It is noted that in the Declaration of Conformity there is a reference to 'T25 Sensor Trailer', but we understand that the Declaration only relates to the Advantage Series Portable Variable Message Board Models 4260, 4280 and 42100.

The Product is approved for the purpose of displaying alpha-numeric text in accordance with any relevant Departmental Traffic Advice or Traffic Directions when used in accordance with relevant Traffic Advice and/or Traffic Directions.

Yours sincerely,

(signed by the authority of the Secretary of State)

Brian Harbord

I/we hereby declare under my/our sole responsibility that the Product as referred to above, to which this Declaration of Conformity relates, meets all the requirements defined in the above Technical Requirements Specification and TRG 0600.

I/we understand that the Secretary of State for Transport is entitled to rely on the Design Authority's expertise and I/we indemnify the Secretary of State for any losses or liability he may occur in the event that the Product fails to meet any requirement defined in the above Technical Requirements Specification or TRG 0600.

I/we understand that the Product may only be used on public highways when this Declaration of Conformity has been completed, signed and the original submitted to the Approval Authority and that Approval Authority issues an Approval Letter of Acceptance on behalf of the Secretary of State.

I/we certify that all supporting design and test documentation is retained in the Design Authority's Technical File under an appropriate quality management system and will be made available for inspection by the Secretary of State or his representative, subject to a reasonable notice period.

I/we certify that the design and construction ensures that the Product is safe and fit for purpose and compliant with health and safety legislation.

I/we understand that any modification to the Product specified above or a change of legal entity of the Design Authority shall require re-submission of this Declaration of Conformity.

Signed for and on behalf of the Design Authority.
